Tufts UNIVERSITY | Cummings School of Veterinary Medicine

Pet Memorial Program

Cummings School's Pet Memorial Program offers several ways to honor the memory of our animal companions.

Online Pet Memorial

A heartfelt and enduring tribute honoring your pet in our online gallery where you can share memories and photos.

Remembered With Love

Recognition on a memorial display located in the lobby of the Henry and Lois Foster Hospital for Small Animals at Cummings Veterinary Medical Center for at least one full year, renewable annually.

Pet Sympathy Cards

Personalized cards mailed to a friend or family member who has suffered the loss of a pet to let them know you care and share their pain.

Honor your own beloved pet or the pet of a friend or family member

Your gift acknowledges the special bond that exists between animals and people and helps make the world brighter for animals and those who care about them.

Gifts to the Pet Memorial Program are allocated to the Cummings Veterinary Fund and help Cummings School provide the highest level of care, pursue new cures and treatments, and educate veterinarians and graduate students who are committed to advancing animal and human health with compassion and evidence-based medicine.

Visit us online at tuftspetmemorial.org to make your gift today.

Contact us at petmemorial@tufts.edu or call our Office of Development and Alumni Relations at 508-839-7905.
