Honor the lasting bond between you and your loyal companion

Share a heartfelt tribute

Celebrate your pet's life

Our pets are loyal companions and love us unconditionally. When we lose a pet, it can be as hard as losing a family member or friend.

Remembered with love is a pet memorial that celebrates the profound and undeniable bond between animals and humans. It provides a meaningful way to honor your pet's life or the pet of a grieving friend or family member. With a gift of \$500, your personalized, heartfelt tribute will be inscribed on the **Remembered with love** display for at least one full year (can be renewed by donation annually).

Your gift helps Cummings School of Veterinary Medicine provide the highest level of care, pursue new cures and treatments, and educate students who are committed to improving the health of animals and people.

When you honor the memory of a beloved pet, the impact is great—touching countless patients, families, faculty, staff, and future veterinarians for generations to come.
